more info

1

Silicone Detailer & Lubricant Spray #60101

- Instant, long-lasting shine on black rubber bumpers, tire side walls, club holders and other black plastic surfaces.
- No rubbing required. Beautifies hard surfaces fast.
- UV protection.
- Lubricates and reduces friction and wear on moving parts.

2

**Foaming Windshield
& Plastic Window
Polish & Protector** #60201

- Fills-in minute cracks to improve visual clarity.
- Reduces glare and fog.
- Protects against UV damage and water spotting.
- Helps rain "roll off" treated surfaces.
- Tested safe on plexiglass and vinyl windows.
- One can treats 20-25 windshields inside and out.

3

**Foaming All Surface
Golf Cart Cleaner** #60301

- Fast-acting, heavy-duty foam lifts away dirt, mud, sand and grass stains.
- Simply spray on, let foam work and hose off.
- Safe on all surfaces.
- Perfect for exterior fiberglass, plastic, floorboards, seats, roofs, tires and more.
- Over 20 gallons of foam in every can.

4

**Fiberglass, Plastic
& Rubber Restorer** #60401

- Removes oxidized film and dull powdery residue.
- Restores shine to gel-coat finish.
- UV protection against sun damage, fading and cracking.
- Hard wax finish inhibits future oxidation and marking.

5

**Heavy Duty - Long Term
Battery Terminal
Protector** #60501

- Protects battery terminal posts and connections with flexible film.
- Helps reduce power loss and extend battery life.
- Long term coating will not melt, crack or peel in heat or cold.
- Maintains an airtight, corrosion-resistant, waterproof seal.
- Each can treats between 15 and 30 carts.
- Over 200 connections depending on coating thickness

6

Black Mark & Scuff Remover #60601

- Instantly removes unsightly scuff marks caused by shoes, clubs, trees, shrubs and more!
 - Safely and effectively dissolves grime.
 - Easy-to-use. Spray-on, wipe-marks off!
- To restore wax shine, follow use with *Fiberglass, Plastic & Rubber Restorer*.

Cart-Pro recommended uses.

Apply all Cart-Pro aerosols while vehicle is in the shade.
